THUNDERING LANDLORDS

©CIL 21348

By Hal E. Roach.

Forced to move by a mercenary landlord, the new home-owner is compelled to enter the new home before it is completed. New troubles are encountered when the prospective tenant criticizes the laggard methods of the workmen, who in retaliation, declare a strike. The comedy situations created during the moving and the occupancy of the unfinished home are very funny and at times pathetically humorous.
